

PRESS RELEASE
 For Immediate Release

**RYAN WONG SHINES AT
 ‘ENJOY JAKARTA WORLD JUNIOR GOLF CHAMPIONSHIP 2010’**

Up-and-coming promising junior golfer, **Ryan Wong** displayed excellent golf skills and mental strengths to finish with an impressive **second place** during the ‘**Enjoy Jakarta World Junior Golf Championship**’ at the **Damai Indah Golf Course in Pantai Indah Kapuk, North Jakarta** recently.

Competing in the **Class D, Boys Under-10 Individual Division**, Ryan played a solid and consistent game throughout the three-day tournament. On the first day, Ryan shared the second position with Indonesian junior Theodore Raharja, where they each scored a 4 over par (76). Ryan’s strong determination and excellent shots allowed him to maintain the position and surged ahead of Theodore on the second day, despite the challenging conditions.

On the final day, Ryan a trainee with the **Golf House Academy** proved his ability to compete in a top-class tournament by maintaining his cool and finished second behind Thai golfer, Puwit Anupansuebsai. Puwit collected a total score of 218 and finished nine strokes ahead Ryan Wong (227).

INDIVIDUAL EVENT -- BOYS DIVISION				
CATEGORY	POSITION	PLAYER	COUNTRY	TOTAL SCORE
CLASS - D	Champion	PUWIT ANUPANSUEBSAI	THAILAND	218
	1st Runner-up	RYAN WONG	MALAYSIA	227
	2nd Runner-up	TEODORE RAHARJA	INDONESIA	233
	3rd Runner-up	NARADJIE	INDONESIA	236
	4th Runner-up	FU THUNG TSENG	CHINESE TAIPEI	236

This win will no doubt be a boast for Ryan’s golfing career and this adds to his list of other impressive wins which includes his third runner-up win at the 8th True Vision Junior Golf Championship at the St. Andrews 2000 course in Rayong, Thailand and finishing tops at the SportExcel Junior Golf Circuit last year.

Ryan picked up the game at the age of six years old with endless enthusiasm and passion. Currently, he trains at his home club, **Bukit Jalil Golf and Country Resort** under the tutelage of Mr. Andrew Myles, the Director of Golf Instruction, Golf House Academy. Ryan’s game accuracy and consistency has since improved by leaps and bounds and is ready to take on more challenging international assignments.
